

## Matters to be confirmed before making a contribution

○With regard to the contribution, when the research-education employee transfers to another national university corporation, etc. or retires, the National Institutes of Natural Sciences may transfer the contribution to the relevant national university corporation, or change the research-education employee eligible for the contribution. Related procedures associated with this will be entrusted to the National Institutes of Natural Sciences.

○Please note that a part of the contribution will be used for operational and administrative expenses of education and research activities and operation and administration of NINS (and its departments).

○When contributing to NINS, declare that you have no relationship with anti-social forces\* and will not have any relationship with them in the future.

\*Groups, individuals, etc. that pursue economic gain by making full use of violence, force, and fraudulent methods. The National Institutes of Natural Sciences Fund will refuse to accept contributions and return any contributions that have already been received from individuals, corporations, and organizations recognized as anti-social forces or individuals, corporations, organizations, etc. that NINS deems to be a hindrance to education and research.

○Personal information collected in connection with this contribution will be handled appropriately in accordance with the [privacy policy of the National Institutes of Natural Sciences](#) and the purpose of use\* is clearly stated and that it will not be used for any other purpose.

\*Purpose of use

- (1) Personal information is used when using contact information such as name, address, telephone number, and email address in order to send necessary materials and notify those who have made contributions, applications for contribution, or inquiries to NINS.
- (2) Personal information is used when sending mails to the contributor and the recipient designated by the contributor, using contact information about the recipient and sender, such as name, address, and telephone number.
- (3) Personal information is used when announcing the name of the contributor and the amount of the contribution with prior consent on the website of NINS.
