

Visit to Princeton University regarding future collaborations (June 4-5, 2019)

更新日：2020年5月28日更新

On June 4 and 5, IRCC-QIB members, Drs. Naoto Ueno (NIBB), Moritoshi Iino (IMS), Kazuhiro Aoki (NIBB), and Dr. Nobuyuki Shina, an associate professor of NIBB, as well as Dr. Yuhei Goto, a postdoc in Dr. Aoki's laboratory, visited Princeton University and met with several PIs and their colleagues. We used this occasion to have discussions about possible future collaborations between NINS and Princeton U..
